

Land & Leisure Cooperative

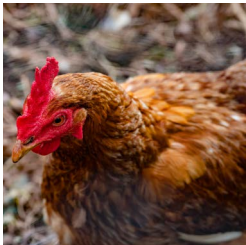

Laurence Keeley
Director

Land and Leisure Cooperative are offering a unique opportunity to be part of a community farm from £2,000 investment.

The organic farm will include:

- seasonal fruit and vegetables
- livestock (sheep, cows, chickens)
- camp site for weekends & holidays
- members marquee
- workshops, conferences and events
- activities such as fishing, sporting events & childrens holiday clubs

This is a fantastic way to get involved in a true community project with the added benefits of knowing exactly where and how the produce you purchase from the farm has been grown or reared, alongside the use of facilities on-site for members at special rates.
